This bibliography of ERIC references is meant to be a guide to the literature on urban and minority education which is accessible through the ERIC system, a national information storage and retrieval system for educational documentation. It contains references on such topics as bilingual education, compensatory education, school integration, the education of specific ethnic and racial groups, and problems of inner city schools, which were cited in the January through December 1978 issues of *Resources in Education* (the abstract journal of the ERIC system). The citations, which bear 1977 and 1978 publication dates, update the bibliographies published by the Clearinghouse covering the same topics in previous issues of *Resources in Education* (see ED 128 492, ED 143 720, and ED 162 013).
